RESUBMISSION OF PATENT APPLICATION AND  
PETITION TO AWARD A FILING DATE OF JULY 23, 2003

S I R:

The above-identified application was filed on July 23, 2003 by Express Mail. However, the official filing receipt has not yet been received. Also, the return receipt postcard which was submitted with the application has not been received.

The application was filed together with two other applications by Express Mail Label No. EV 199 311 370 US. Of these two other applications, one application has received Serial No. 10/626,328. A copy of the return receipt postcard for Serial No. 10/626,328 is enclosed.

A copy of the Express Mail label EV 199 311 370 US which shows that the application was deposited on July 23, 2003 is enclosed. Also enclosed is a confirmation issued by the United States Postal Service showing that the Express Mail Item No. EV 199 311 370 US was delivered on July 25, 2003.

Also enclosed herewith is a copy of check no. 8955 for the filing fee and the assignment recordation fee which was cashed by the US Patent and Trademark Office on July 29, 2003.

Also submitted herewith is a copy from the undersigned attorney's outgoing logbook which shows that the above-identified application was submitted together with the two other applications.

Previously submitted in connection with this application was a Request for Official Filing Receipt. This request was filed on December 10, 2003 after it was discovered that no filing receipt and return receipt postcard had been received in connection with this application.

Finally, a copy of the entire application as filed on July 23, 2003 with all attachments is submitted herewith.

Accordingly, it is respectfully submitted that it has been established that the above-identified application was filed on July 23, 2003.

A check in the amount of \$130.00 to cover the petition fee is enclosed herewith. However, since the application was received in the US Patent and Trademark, it is submitted that the petition fee should be refunded.

Any additional fees or charges required at this time in connection with the application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

*Friedrich Kueffner*
